FULL GOSPEL BAPTIST CHURCH FELLOWSHIP INTERNATIONAL

A primary goal of the FGBCFI is to provide educational support for their leaders. In fact, since 1994, scores of men and women from across America have benefited from educational opportunities and partnerships provided by the FGBCFI.

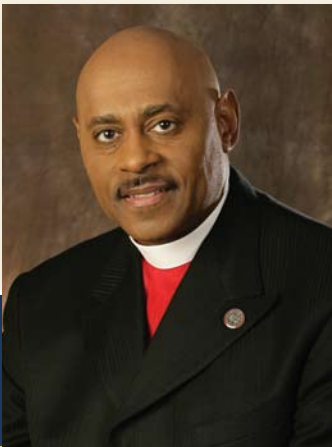

The FGBCFI is now partnering with Beulah Heights University to prepare and equip Christian leaders for various career paths and roles in ministry.

This partnership will offer courses in various formats to meet the needs of the adult learner. These formats include, but are not limited to, online courses, in-person at selected extension sites, course offerings during the annual FGBCFI conference, and modular courses*.

Students who complete a degree will be recognized for his or her achievement at the annual FGBCFI session as well as BHU graduation ceremony.

The BHU administration staff and faculty are excited for the opportunity to offer this to such distinguished Christian leaders, and promise to serve each student in a manner pleasing to God.

* Modular courses combine the convenience of studying at home with an intensive one-week session either on campus or at one of our extension sites.
